Replacement Policy: Lost or Damaged CDs

Linguist's Software warrants all product CDs for 60 days from date of purchase, and will gladly replace CDs lost or damaged during that time for no charge (except for shipping or download charges) for all registered products. If you have lost or damaged your CD(s) you may order a replacement by completing the order form at the bottom of this page and faxing or mailing it to us. If your date of purchase is greater than 60 days ago, the charge for replacing CDs is \$20.00 plus shipping for products that have not changed. If the product has changed you must pay the upgrade cost. If you purchased your product from a reseller and have not mailed the blue registration card to us, you first need to provide proof of purchase before we can support you with replacement materials.
